VESSEL SPECIFICATION

ISLAND TIGER 16 Metre Windfarm Support Catamaran

Water-jet propelled, wind-farm support and crew transfer vessel designed to land wind-farm personnel and equipment onto offshore wind turbines. The Island Tiger is fitted with a purpose built fendering system & boarding platform. Her raised bridge deck ensures all round 360° visibility. A versatile catamaran, the Island Tiger can also be used for wind-farm monitoring surveys, diving & maintenance work

Vessel Type	Wildcat 53
